Re Construction of a Maternity Home opposite to Sir Puttanna Chetty Town Hall by Mr N Dasappa

SIR

In inviting kind reference to this office letter No 42 C 101/45 dated 16-3-1946 regarding the above and stating that the control over the bit of land between Sadar Patrappa Road and Sri Narasimharaja Road may be handed over to the Municipality for being made use of for the construction of the Maternity Home I have the honour to state that Mr N Dasappa wrote subsequently to say that he would increase his donation by Rs 5 000/- making a total of Rs 30,000/- and that the work may be taken up early This was considered by the Municipal Council at their meeting held on 26-10-1946 when they resolved that the construction of the Maternity Home opposite to Puttannachetty Town Hall be immediately started with the promised donation of Rs 30,000/- from Mr N Dasappa and that a sum of Rs 15,000/- be contributed by the Municipality as per decision of the Council during 1945 A copy of the Council proceedings in this behalf is herein enclosed for favour of reference

2 In this connection I may add that when Mr N Dasappa first came forward with his donation of Rs 25,000/- the Municipal Council had resolved to contribute a sum of Rs 15,000/- from Municipal funds towards the said ~~maternity~~ construction and this amount had also been set apart in the budget of 1944-45 for the purpose But as the matter

Proceedings of the meeting of the Council dated 26-10-1946

x x

At this stage, the President informed the House that he had received a letter from Mr N Dasappa stating that he would give an extra sum of Rs 5000/- making his contribution Rs 30,000/- for the construction of a Maternity Home and that this might be accepted and the work started The President informed the House that the Municipal Engineer had prepared an estimate for Rs 80,000/- for a Maternity Home Dispensary, quarters for nurses etc and that the donor was willing to bear the cost of the construction of the Maternity Home The Council had already resolved to accept his offer of Rs 25,000/- and now he had come forward with another sum of Rs 5000/- The donor was very anxious to get the work completed early He had placed his letter before the House

Mr D Venkataramanappa next said that during 1945 the Municipal Council had agreed to pay Rs 15,000/- towards the construction of the Maternity Home and since no action had been taken in pursuance of this resolution, the amount set apart in the budget had been allowed to lapse The party had come forward with Rs 30,000/- and according to the Municipal Engineer it would suffice for the construction of the Home As re the other things like quarters etc , the Municipal Council might decide if they were necessary and if found necessary then they might sanction a sum of Rs 15,000/- during the current year for the said purpose He moved that 'this Council resolves that the construction of the Maternity Home opposite to Puttanna Chetty Town Hall be immediately started with the promised donation of Rs 30,000/- from Mr N Dasappa and a sum of Rs 15,000/- be contributed by the Municipality as per decision of the Council during 1945'

Mr G Nanjappa seconded the above and Mr G V Ramachar supportin it said that though the Council had sanctioned a sum of Rs 15,000/- towards the above the amount had been allowed to

to lapse because no action was taken by the office Now the resolution of Mr D Venkataramanappa contemplated approaching Government for sanction to spend Rs 15,000/- from Municipal funds and also ask them to give some subsidy towards this If they waited for Government sanction, it would mean delay So he suggested that they might start the work of construction of the Maternity Home first and await sanction for other things

Mr Narasimhasastry Devudu also supported the above and then the following resolution was adopted unanimously

Resolution - Approved The construction of the Home may be taken up immediately

Mr D Venkataramanappa then suggested that since His Highness was coming to Bangalore during next month they might approach His Highness to lay the foundation stone of this Maternity Home and the President informed the Member that this would be considered
